The Australian Psychological Society (APS) Interest Groups support members with special interests and assist communication between members interested in similar fields. The Interest Groups also advise the Society on issues related to their area of interest. Membership is open to all APS members.

Non-APS subscribers are also welcome to join some Interest Groups as a non-APS subscriber (please refer to 'INTEREST GROUPS' below) where \*\* indicates not open to non-APS members. Non-APS subscribers of Interest Groups have no voting or office bearing rights.

Please note: APS members can subscribe to Interest Groups online via [Manage your Membership](#). Only complete this form if you are an APS member and would like to arrange payment by *cheque* outside of the membership renewal period, OR if you are *not an APS member* and would like to subscribe to an Interest Group as a non-APS Subscriber.
