

Preparation, Submission and Publication of Manuscripts

Manuscripts

The Australian Community Psychologist publishes work that is of relevance to community psychologists and others interested in the field. Research reports should be methodologically sound. Theoretical or area review papers are welcomed, as are letters, brief reports and papers by newer contributors to the discipline. Contributions towards the four sections of the journal are sought.

The Australian Community Psychologist is published twice per year and online and is available via the website of the Australian Psychological Society's College of Community Psychologists' page (<http://www.groups.psychology.org.au/GroupContent.aspx?ID=4395>).
